# Shake It Off

Take your place at the starting line for a good cause this month. The Dancing Davis Shaking Off Cancer Foundation hosts its first 5K at 9 a.m. Sept. 24 at ESC Park in Troutman. The foundation was developed to honor Davis, who battled and won his fight with hepatoblastoma liver cancer.

“We had an amazing amount of support from our community, family, church, friends, and people we have never met that we decided we wanted to give back what we, as a family, received during Davis’ battle,” says Mika Overcash, Davis’ mom. “Our goals are to raise awareness

that childhood cancer is real and not rare. We also want to be able to help other families that may be suffering financially. Last, but not least, we hope that we can also give support and hope to other families fighting this horrific battle.”

Since its founding in 2015, the foundation has hosted a toy drive, a dance-a-thon, and a family BBQ event that raised over \$10,000. Show your support and sign up to race at [www.racesonline.com](http://www.racesonline.com).
